ABOUT US

ASC International is part of the Anglican Schools Commission, which is dedicated to serving international students wishing to study in our schools.

The Anglican Schools Commission was first established in 1985. It has grown to have more than 16,000 students and 16 schools across three Australian states, including one language school in the city centre of Perth.

We are the only private schooling system in Australia with one set of entry criteria, one tuition fee structure and one application form as a gateway to multiple school destinations.

ASC International looks after all international students studying in our schools. Our pathway options are designed to provide students with various backgrounds and abilities the opportunities to achieve their study goals in Australia.

ASC LANGUAGE SCHOOL

The ASC International is proud to have its own language school, the ASC Language School, where students can undertake academic English programs in order to prepare them for study in a mainstream secondary environment. Located in Perth CBD, students can study in our language school for up to four terms before moving on to any one of our school campuses for mainstream secondary study.

ENGLISH PROGRAMS

- **Beginner English (General English) Course Code 078838J**

This course is designed to introduce students to the early stages of English language acquisition in order to prepare them for the more academic style of English taught in PSS (see below).

- **Preparation for Secondary Studies (PSS) Course Code 078837K**

The Preparation for Secondary Studies (PSS) Course is an English language program specifically designed to prepare students for entry into secondary school programs. The course includes some subject content to ensure students become familiar with the vocabulary and terminology needed to study secondary school subjects successfully.

Students commence at the level best suited to their current language ability. All students are required to pass the Intermediate level of PSS before commencing their secondary course. Students in our PSS program may also partake in mainstream curriculum such as Science and Physical Education classes.

- **EAL/D (English As An Additional Language or Dialect) - for Year 11 and 12**

We offer English as an Additional Language or Dialect (EaL/D) courses for Years 11 and 12 ATAR. The EaL/D course is designed for students who speak another language or dialect as their 'home' language. EaL/D focuses on developing the competent use of standard Australian English in various contexts and teaching academic English skills needed for tertiary studies. SCSA eligibility conditions apply.
